

# MOSSBACK GAME CALLS

*THE LAST THING THEY'LL EVER HEAR*

# ELK

21"

## DA HOLLA BACK Bugle

**NASAL & THROAT TECHNOLOGY**

An Easy to operate and simple to adjust single reed produces a full range of calls, from basic bugles and grunts, to the very loud bugle for long distance and a aggressive calling.

Includes: Camouflage cover, two replacement reeds, two o-rings, and complete instructions.

17"

## DA WILD THANG Bugle

**NASAL & THROAT TECHNOLOGY**

This bugle offers all the same great features as the Holla Back, in a smaller package. The smaller size allows for easy storage in day packs.

Includes: Camouflage cover, two replacement reeds, two o-rings, and complete instructions.

2.68"

## WIDOWMAKER COW CALL

Compact in size, this easy to operate single reed produces Chirps, Mews and Estrous calls. From soft and quiet to hard and loud, this call will do it all.

**BLOWS WET!**

**NASAL & THROAT TECHNOLOGY**

## ELK BUGLE STRAP

This Heavy Duty strap is durable and tough, ready to take anything you can throw at it. Flexible and light-weight, this makes a great accessory to Da Holla Back and Da Wild Thang Elk Bugles!

## REPLACEMENT REEDS

Light and Heavy replacement reeds. Three reeds and two o-rings per package.

### DA BEAST I

## HAND MADE - GETTING BACK TO PERFORMANCE SINGLE REED COW ELK DIAPHRAGM

### DA BEAST II

## DOUBLE REED BULL ELK DIAPHRAGM

Tried and true traditional design double reed mouth call.

### DA BEAST III

## TRIPLE REED BULL ELK DIAPHRAGM

Tried and true traditional design triple reed mouth call.

# NASAL & THROAT TECHNOLOGY

The key to our high performance Game Calls is in the revolutionary patented design. Our calls utilize the throat, mouth, and nasal passages. The end result, the most Life Like Sounding Game Calls ever made.

Calls feature a simple to operate reed system. Changing reeds, and adjusting for different tones is quick and easy.

# WATERFOWL

4.625"

## THE CYCLONE

Snow goose call produces all snow goose sounds. From lows to highs, this call has great volume without using a lot of air. Comes with engraved aluminum band and lanyard drop.

4.625"

## DAY CHANGER

Short-reed goose call produces all Canada goose sounds and is easy to blow. The pre-tuned gut system is fully adjustable so the hunter has the ability to tune the call to their preference. Comes with engraved aluminum band and lanyard drop.

7.375"

## LONESOME LOVER

We're bringing Grandpa's old flute back MossBack Game Call style. The flute style goose call allows even the beginner to produce all sounds of the Canada goose. You'll be able to bring in the geese without the skill of using your hands to create back pressure.

4.25"

## PSYCHO SUZZIE

Double reed duck call is very versatile with long range capabilities. Comes with engraved aluminum band and lanyard drop.

4.25"

## IRRESISTIBLE SUZZIE

This polycarbonate, single reed duck call will bring in those weary ducks with its realistic and sweet tone. Comes with engraved, aluminum band and lanyard drop.

4.25"

## HIGH DOLLAR SUZZIE

This single reed call uses the same polycarbonate and reeds as Irresistible Suzzie combined with a beautiful cocobolo barrel. Comes with engraved aluminum band and lanyard drop.

# DEER

## 5" **MOSSYBACK** 3 in 1 Deer Call

The revolutionary patented design utilizing the throat, mouth, and nasal passages, along with an adjustable reed will allow the user to make perfect deer calls from fawn bleats to buck grunts. Includes expandable flex tube. Complete with instructions.

**NASAL & THROAT TECHNOLOGY**

## 5" **DEADLY OBSESSION** 3 in 1

The Adjustable reed will allow the user to make perfect deer calls from fawn bleats to buck grunts. Includes expandable flex tube. Complete with instructions.

**NASAL & THROAT TECHNOLOGY**

## 2" **THE CANNIBAL** Micro Heat Bleat

This Micro Heat Bleat comes with lanyard and clip to keep it right where you need it when that buck of a lifetime comes into view. Simply place the call in your mouth and you have both hands available to shoot, range or glass. Drop the call from your mouth and the lanyard will put it right back where you need it.

**NASAL & THROAT TECHNOLOGY**

**NO MORE DEBRIS CAUGHT IN YOUR DEVICE!**

# THE SEDUCTRESS TURKEY DIAPHRAGMS

**HAND MADE - GETTING BACK TO PERFORMANCE**

## 2.5 REED CUTTER

This is designed to ensure easy use and has a great mid-tone range while at the same time producing higher pitched cuts that drives Toms crazy.

## 3 REED CUTTER

This design produces the raspy tone of mature Toms and adds lots of volume to a soft smooth yelp.

## 3 REED BATWING

This produces the sweetest sounding yelps, cuts, and purrs. With ease and comfort, The Batwing cut also allows for excellent volume control.

## 3 REED NATURAL V

This diaphragm mimics the tone of an old boss hen, with extra rasp for yelps and cuts.

# TURKEY
